	<input type="checkbox"/> Environmental Product Declaration (EPD), certificate number(s):
	<input type="checkbox"/> further certificates: - type and number(s): - type and number(s):

Attachments

- List of project-references (name, city, country, year, surface, material, company's scope of work)
- Photographs showing reference projects (incl. short description of the subject and the scope of work)
- Company Logo
- Code of Conduct
- Company Policy
- further attachments (describe)

The company confirm the accuracy of the given information and declare their consent that AMA may use the given information, data and photographs in the future for presentations on all conventional and digital print media and for statistical evaluations and their presentation. There is no liability claim against AMA by the unlawful use of third parties, e.g. by downloading the data from the website. The company will inform AMA of any changes to the given information and to the attachments immediately. Upon request of AMA, the company will provide AMA with the relevant documents at any time, which will prove the aforementioned information. AMA will delete the provided information and data upon request of the company after the company terminated the membership in AMA.

The company provides photographs in jpg-format in a file-size of 1.5 - 3.5 MB and with a short description of the subject, shown on the picture. The company declare that they are the owner of the rights to the photographs and pictures provided or have transferable rights and grant AMA unlimited and unrestricted rights of use for the above purpose. All information, data and photographs provided by the company to AMA are free of charge.
